TO

THE SECRETARY
to Government of Mysore,
Education Department, Bangalore.

Sir,

SUB:- Transfer of Officers entrusted with Census work.

I have the honour to state that in connection with the Census operations now under way, it is necessary that all officers who are entrusted with Census work should familiarise themselves with the new procedure and remain in their posts till the Census is over. As any inconsiderate transfers, before that date would inevitably hold up Census work, I request that instructions may be kindly issued to the Revenue Commissioner and the Deputy Commissioners of Districts not to transfer their subordinates, as far as possible, till enumeration is completed, and in cases where transfers are unavoidable to restrict such transfers to the barest minimum. The same applies to Heads of Departments in cases where officials may have to be drafted for enumeration and supervisory duties from Departments other than the Revenue. A copy of the order issued by Government in this connection on the previous occasion is enclosed for reference.

2. This order has to be made to strictly apply to clerks, Revenue Inspectors, Amildars and Sub Division Officers who are directly in charge of this work. It does not perhaps matter in respect of Officers of ~~and above~~ the status of Deputy Commissioners of Districts.

Yours faithfully,

CENSUS COMMISSIONER.

OFFICIAL MEMORANDUM.

In connection with the ensuing Census of 1941, it is necessary that all officers who are entrusted with Census work should remain in the same place until the Census work is over, so that they may familiarise themselves with the new Census procedure and their Census charges. The Heads of Departments, the Deputy Commissioners of Districts, the District Heads of other Departments, and other officers mentioned below are therefore requested to postpone as far as possible, until after the final Census is over (during the period from 1st October 1940 to 1st April 1941) the transfer of, or the grant of leave to subordinates whose services have been made available for Census work, as changes in Census officers at the last moment will cause great inconvenience and dislocation of work.

BY ORDER,
